

Electronics Recycling

The Agency now has a recycling program for your unwanted high-tech electronic items. Most discarded electronics (e-wastes) can be delivered to the Agency Landfill or Poweshiek Transfer Station without charge. Small fees apply for items that require special handling by the recycler or that contain hazardous components. Computer monitors and televisions can no longer be buried in the Landfill and must be handled through the recycling program.

Fees Apply for the Following Items

Desktop printer, fax or copier _____	\$5
Computer monitor or TV under 19" _____	\$10
TVs over 19" or console _____	\$20
Large printers and copiers (on rollers) _____	\$20

Items Free to Recycle
