

# Household Hazardous Waste

## Residential Disposal

Residents of Lucas, Marion, Monroe, and Poweshiek Counties can dispose of household hazardous waste (HHW) at no charge if the waste is from their homes and not a business.

**Satellite drop-off** is available for residential HHW by appointment at the SCISWA Landfill near Tracy. Call 641-828-8545 to set up an appointment. In addition to the items listed below, waste oil and filters and auto batteries may be brought to the satellite site.

## Metro Waste RCC

HHW may be dropped off at the Metro Waste Authority's Regional Collection Center, 225 Prairie Drive, Bondurant, Iowa. Call 888-603-CREW for hours and directions to the facility.

## Mobile Events

Mobile collection events are held annually or biannually in Pella, Grinnell, Chariton, Knoxville, and Albia. Check our Web site at [www.sciswa.org](http://www.sciswa.org) for dates. Listed below are examples of items that may be brought to the events. For questions about what is hazardous, call the Metro Waste RCC at 888-603-CREW.
